

Release of Information Document Guide

Document Number	Document Name	Uses
AUTH001	MCW_FC Authorization for Release of PHI	Used by Family Care to obtain to release information to another or to authorize another entity to release information to MCW Family Care.
AUTH002	MCW_HP General Release blank	Used by the Health Plan (Partnership, SSI, Dual Advantage, BadgerCare Plus) to obtain authorization to release information to another entity/provider or for another entity/provider to release information to the MCW Health Plan.
AUTH003	MCW_HP General Release pre-filled	Same as AUTH002 but prefilled with My Choice Wisconsin Health Plan information as the receiver of the PHI from another entity.
AUTH004	MCW_HP Multi-provider Release	Used by the Health Plan (typically with a new member) to capture multiple providers/entities on one release; authorizes the listed providers/entities to release information to MCW Health Plan.
AUTH005	MCW_HP Family Non-medical Release	Used by the Health Plan to capture family, friends, or others that the member chooses to allow the sharing of information between the health plan and these individuals.
