of Greater Dane County

Presents

Building Blocks for Dementia Care

8-Part Training Series

Join the **Collaborative Stabilization Coalition (CSC) of Greater Dane County** for this FREE Online training event for direct caregivers of people living with dementia. The series will focus on responding to crisis situations that may put individuals at risk of losing their current living environment and how YOU can help prevent that from happening. This is an 8-Part Training Series made possible by members of the CSC and through a grant from the Wisconsin Department of Health Services.
