

COLLABORATIVE STABILIZATION COALITION

PRESENTS

Crisis Prevention and Stabilization in Place Training

Join the **Collaborative Stabilization Coalition (CSC) of Greater Dane County** for this FREE Online training event for direct caregivers of people with intellectual/developmental disabilities. The series will focus on responding to crisis situations that may put individuals at risk of losing their current living environment and how YOU can help prevent that from happening. This Training Series made possible by members of the CSC and through a grant from the Wisconsin Department of Health Services.
