Our Mission

We are committed to the improved health of our members and the betterment of our communities. As trusted stewards of public funds, we care for the whole person and well-being of all by offering services that promote independence, value diversity, and inspire self-advocacy.

How our Care Managers feel about working here

“This job allows me to get to know each member and their family on a personal level, yet I’m able to keep a flexible work schedule and have time to focus on my own personal life and family. I’ve always been passionate about helping others, and as a Care Manager, I’m able to do that in a fun and supportive setting.”

- Anna R.

“I have always had a passion of working with people. My Choice Wisconsin has given me an opportunity to build relationships with my members, their loved ones, my co-workers and community agencies. It is awesome to get to fulfill my passion while having a work environment that is flexible and having the support of my team!”

- Amy B.

“Being a Care Manager has opened my eyes to the humanity within us all. We each possess unique talents, abilities, and have distinctive needs. It is fulfilling to build meaningful relationships with members and their supports and to be a helpful resource in their respective life journeys by making a difference, no matter how small.”

- Shelby H.

A career doing
what I love to do!

Embracing the whole person.

My Choice Wisconsin is proud to be an employer of choice. We offer a rewarding work environment with ample opportunity for growth, professional development, and leadership advancement. Our Care Managers work in the community, meeting our members in their homes and providing exceptional care and guidance, treating the whole person.

Make a difference every day.

What does a My Choice Wisconsin Care Manager do?

We meet with individuals in their homes to complete assessments and provide coordination of services to improve or maintain the member's independence and quality of life.

Complete strength based assessments with seniors and adults with disabilities in their homes upon enrollment with monthly contacts and quarterly visits.

Develop customized care plans that focus on individuals' preferences and support their health and safety needs.

Maintain relationships with members, their supports, and with acute and primary care providers to ensure the best possible health outcomes for members.

Coordinate functional and social supports to promote member independence and mitigate risk.

Work in partnership with a Nurse Care Manager to collaborate on a member's plan of care and work together to monitor the member's overall well-being.
