On January 1, 2020, the exciting merger of two highly respected organizations, Care Wisconsin and My Choice Family Care, occurred to become My Choice Wisconsin. Leaders from both entities joined forces to re-envision a Managed Care Organization that delivers innovative and cost-effective programs and services to Wisconsin residents.

Care Wisconsin was founded in 1976 as the Madison area's first adult day center. In the late 1990's, Care Wisconsin partnered with state and federal authorities to pilot the first Partnership program in the state of Wisconsin, offering an integrated approach to Medicaid and Medicare services. In 2008, Care Wisconsin was awarded the opportunity to expand service offerings to include the Family Care program in several counties and expand the Partnership program into new service areas. Medicaid SSI and a Medicare Advantage Plan were added to the lines of business in 2015 and 2017 respectively.
