Caregiving is not easy!

Most caregivers never planned to be caregivers, whether for a spouse, a parent, a sibling or a friend. As a result, most caregivers are not trained for many of the tasks that are necessary to provide care safely and confidently.

The Washington County Caregiver Coalition has lined up presenters to share information on scams, proper body mechanics and stress management to provide you with information to help you on your caregiving journey.

What is included?

Participants will attend three education sessions as described below:

- Scams and Seniors
 - Lt. Tim Kemp
Washington County Sheriff's Department
- Body Mechanics
 - Abi Jans, PT
Cedar Community
- Stress Management
 - Mona Dickmann
