

Flu Shot Clinic & Health Fair

Keep yourself protected this winter!

In honor of National Flu Vaccination Week, the Beacon has partnered with local health organizations to offer a flu shot clinic. The CDC predicts a more severe flu season this winter, so getting vaccinated will protect you and your community. Get your shot and then learn more about how these organizations can help you and your family stay safe and healthy!

Questions about the event? Call 608-826-8040

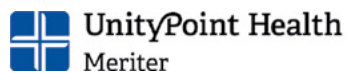

When: December 1, 2022

Time: 9:00 am – 12:00 pm

Location:

The Beacon
615 E. Washington Ave
Madison, WI 53703

Attendees will receive a food storage container with items inside including wool socks, chap stick, hats, mittens, and hand warmers!

The flu vaccine only protects against the flu. You'll need your COVID-19 booster to protect against COVID-19. Call the WI Dept. of Health Services Vaccine Assistance Hotline: 877-947-2211 for help getting yours.
