

Your Wisconsin Medicaid provider enrollment application is waiting

Don't fall behind—spring ahead!

You provide home and community-based services under one of Wisconsin's adult long-term care waiver programs. That means you need to enroll with Wisconsin Medicaid through the ForwardHealth Portal. The deadline is January 1, 2026.

Reap the benefits

Enrolling now gets you listed in the public-facing ForwardHealth Provider Directory, once you contract with a managed care organization or IRIS participant. You can easily choose the services you want to deliver, and the programs relevant to you.

Get connected

You can get notifications sent right to your email. Sign up for the **Adult LTC Waiver Provider email list** at www.forwardhealth.wi.gov/WIPortal/Subsystem/KW/Subscriptions.aspx.

Get ahead—start now

Start your enrollment now so you don't have to worry about it later this year. Give yourself more than enough time to gather materials, start an application, and get approved.

Others say, "it's such an easy process!"

Recorded trainings are available at forwardhealth.wi.gov/WIPortal/cms/public/ltc/provider_enrollment.htm. People have given the trainings positive reviews:

“ It was well organized and easy to follow.

“ It's nice to be able to get the training at home online.

“ Overall good training, and I understand how to add either the the waiver services or programs to my enrollment.
